

# Help your dog advance gracefully.

**MOVOFLEX®**  
ADVANCED SOFT CHEWS

Introducing new MOVOFLEX® Advanced Soft Chews, containing a unique blend of ingredients that can help dogs advance gracefully through all life stages.

## Advancing Joint Health through All Ages

This supplement for dogs of all ages, sizes and activity levels:

✓ **Supports hip and joint structure and flexibility**

✓ **Supports bone health**

*Younger dogs may benefit from joint support to help them advance gracefully and stay active later in life!*

## Signs to Watch For

Here are some signs that your dog might need help:

Reluctant to go on walks, runs or hikes

Hesitant to jump on the bed or couch

Not interested in playing tug-of-war or fetch

Averse to climbing stairs

Struggles to jump in the car

Doesn't want to run, jump or play

Talk with your veterinarian or call us at 1-844-484-7222 to learn about how your dog can benefit from hip and joint support.

60 soft chews per jar

Available in **three sizes**

SMALL DOGS (<40 lb)

MEDIUM DOGS (40–80 lb)

LARGE DOGS (>80 lb)

## The MOVOFLEX® Advanced Soft Chews difference.

**MOVOFLEX®**  
ADVANCED SOFT CHEWS

When it comes to improving dogs' mobility, MOVOFLEX Advanced Soft Chews build on the original formulation's proven success.<sup>1</sup> Inside every tasty, chicken-flavored chew is a proprietary blend of ingredients, all working together to promote hip and joint health.

**Krill oil** contains omega-3 fatty acids that help lubricate joints.

**Astaxanthin** supports joint health.

**biovaflex Eggshell Membrane** supports joint structure and flexibility.<sup>2,3</sup>

**Boswellic acids** support the structure of joints and connective tissues.

**Proprietary hyaluronic acid** supports joint flexibility, structure and maintenance.

**Vitamin D<sub>3</sub>** Supports bone health

## Advanced improvements and satisfaction.

We conducted a 30-day trial of MOVOFLEX Advanced Soft Chews among pet owners whose dogs were already taking the original formulation. Here's what those pet owners said at the end of the trial.<sup>4</sup>

**91%**

perceived it as similar to or better\*

**96%**

said it was as easy or even easier to give their dog\*

**63%**

noticed an improvement in their dog's mobility\*

\*Compared with the original MOVOFLEX® Soft Chews.

**Warnings:** Not for human consumption. Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

**Cautions:** If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven.
